***BELLEMEADE STREET TRAFFIC TO BEGIN TWO-WAY
OPERATION ON THURSDAY, NOVEMBER 18***

GREENSBORO, NC (November 17, 2004) – The City of Greensboro Department of Transportation announces that downtown traffic on sections of Bellemeade Street will revert to a two-way traffic flow beginning Thursday, November 18. The segments scheduled for the afternoon changeover stretch from Spring to Edgeworth Streets, and Eugene to Davie Streets. Conversion of the segment between Edgeworth and Eugene Streets will be delayed until use of the street for the new ballpark construction ends, tentatively around mid-February. Drivers and pedestrians are advised to use care when approaching the area on Bellemeade Street as well as on connecting side streets. Temporary signs have been posted in the area as a reminder to travelers.

The Greensboro Department of Transportation (GDOT) seeks to increase public safety and mobility through the effective planning, construction and maintenance of transportation infrastructure and operation of municipal transit. For more information about GDOT, contact us at (336) 373-GDOT (4368) or visit www.greensboro-nc.gov/gdot.

The City of Greensboro works in partnership with the community to build an increased quality of life for all residents by fostering an environment where inclusion, diversity, and trust are valued. As the seventh largest employer in Greensboro, the City has a dedicated professional staff of 2700 employees who maintain four core values of honesty, integrity, stewardship, and respect. The City of Greensboro is governed by a council-manager form of government where a mayor and eight council members act as the legislative body. For more information on the City of Greensboro, please visit us online at www.greensboro-nc.gov.
